December 4, 2004

JCR/USP Workshop

Transforming Medication Error Data into Knowledge

Rod Hicks, John Santell

Chicago, Illinois

December 3, 2004

Patient Recruitment Conference

Patient Recruitment Strategies in Special Populations

Philip D. Walson

Philadelphia, Pennsylvania

December 1-2, 2004

IBC Paediatric Clinical Trials

Recruit, Protect & Retain Paediatric Subjects

Philip D. Walson

Brussels, Belgium

December 2004

3rd Annual International Adherence to Therapy in HIV Conference: Elements of Success

Managed Problem Solving: An HIV Adherence Intervention Pilot Trial

Robert Gross, MD, MSCE

Dallas, Texas

December 2004

3rd Annual International Adherence to Therapy in HIV Conference: Elements of Success

The HIV Patient's Pharmacy as an Adherence Resource

Robert Gross, MD, MSCE Dallas, Texas

November 1, 2004

JCR/USP Workshop

Transforming Medication Error Data into Knowledge

Rod Hicks, John Santell

Chicago, Illinois

October 31, 2004

44th Interscience Conference on Antimicrobial Agents and Chemotherapy (ICAAC)

Antibiotic Prescribing: Impact of Outcomes Studies and Drug Resistance

Joshua P. Metlay, MD, PhD

Washington, DC

October 30 - November 2, 2004

44th Interscience Conference on Antimicrobial Agents and Chemotherapy (ICAAC)

Meet the Expert: How Useful is Therapeutic Drug Monitoring?

Alexander A. Vinks, PharmD, PhD, FCP

Washington, DC

Spreading the Word about CERTs

CERTs Related Presentations 2004

October 30 - November 2, 2004

44th Interscience Conference on Antimicrobial Agents and Chemotherapy (ICAAC)

Meet the Expert: Concentration Dependent and Time Dependent Antimicrobial Effect: Relationship Between MIC, Killing Curves, Dosing and Effect

Alexander A. Vinks, PharmD, PhD, FCP

Washington, DC

October 30 - November 2, 2004

44th Interscience Conference on Antimicrobial Agents and Chemotherapy (ICAAC)

Workshop ISAP: Population PK-PD Modeling of Anti-Infective Agents

Alexander A. Vinks, PharmD, PhD, FCP Washington, DC

October 21, 2004

American College of Rheumatology 2004 Annual Meeting, Clinical Symposia on Gout

The Evolving Epidemiology of Gout

Kenneth G. Saag, MD, MSc San Antonio, Texas

October 19, 2004

American College of Rheumatology 2004 Annual Meeting, Poster Session B, Health Services Research I

Measuring Pain and Functional Assessment in Adults with Arthritis

Sarah L. Sampsel, MPH

San Antonio, Texas

October 19, 2004

American College of Rheumatology 2004 Annual Meeting, Poster Session B, Health Services Research I

Screening and Treatment of Glucocorticoid Induced Osteoporosis Among 6517 Adults

Jeffrey Curtis, MD

San Antonio, Texas

October 19, 2004

American College of Rheumatology 2004 Annual Meeting, Poster Session B, Health Services Research I

Measuring Quality in RA: DMARD Use

Sarah L. Sampsel, MPH

San Antonio, Texas

October 19, 2004

American College of Rheumatology 2004 Annual Meeting, Poster Session B, Epidemiology I

Adverse Events Associated with Chronic Glucocorticoid Use Among 2446 Adults

Jeffrey Curtis, MD

San Antonio, Texas

October 19, 2004

American College of Rheumatology 2004 Annual Meeting, Poster Session B, Health Services Research I

A Group Randomized Controlled Trial to Improve NSAID-Related Safety Practices

Jeffrey Curtis, MD, MPH

San Antonio, Texas

Spreading the Word about CERTs
